ATTENTION!

- ✓ The total cost of your ticket will be charged via the payment method you chose at checkout.
- ✓ To receive an invoice and an e-ticket document containing all of the information on your electronic ticket, please go to the nearest Turkish Airlines Sales Office.
- ✓ If you purchased travel insurance with your ticket, your policy will be sent to the email address you provided within 24 hours.
- ✓ At checkout, passengers who receive a warning indicating that they will have to present a credit card, and then accept this warning, must present the card owner's credit card and valid ID (passport, birth certificate, driver's license, or marriage certificate) before their flight at Turkish Airlines Sales Offices or at the check-in counter. Furthermore, your credit card must be submitted for any changes or cancellations/refunds to your ticket. Self check-in is not allowed for processes in which the presentation of a credit card is required. If the credit card you use for payment is a virtual card, please bring the credit card to which the virtual card is attached with you.
- ✓ Documents required for flights (passport, visas, identity documents) are required to be kept with you at all times.

- ✔ It is the passenger's responsibility to obtain all necessary visas and other documents required for travel (visas required by destination countries, transit visas required by countries in which flight transfers are made, etc.). Turkish Airlines takes no responsibility for reminding passengers that these documents are required or for checking that passengers have these documents. Please [click](#) for more information.
- ✔ Online check-in opens 24 hour before your flight.
- ✔ For international flights, you are required to be at the airport at least 2 hours before the flight's scheduled departure time. For international flights, all check-in and baggage handling procedures must be completed at least 60 minutes before the flight's scheduled departure time.
- ✔ For domestic flights, you are required to be at the airport at least 1 hour before the flight's scheduled departure time. For domestic flights, all check-in and baggage handling procedures must be completed at least 45 minutes before the flight's scheduled departure time.
- ✔ Because Turkish Airlines is based in Turkey, additional processing fees may be charged by your bank for any online ticket purchases made with a credit card not connected with a Turkish bank. Please contact your bank for further information.
- ✔ You need to have collected your boarding pass and completed all baggage procedures before boarding.
- ✔ If your baggage is in excess of your allocated limit, please take into account the time it will take to pay excess baggage fees when planning your journey to the airport.
- ✔ Passengers whose tickets are not checked at the gate before boarding, even those who printed their boarding passes from the internet, will not be accepted onboard.
- ✔ Due to the operational procedures involved, any special requests (wheelchair assistance, special meal requests, etc.) must be made at least 24 hours prior to the flight. Please [click](#) for more information.
- ✔ For some of our connecting flights, passengers may have to connect using a different airport in the same city. For example, some London-Tehran flights connecting in Istanbul may require first landing at Istanbul Sabiha Gökçen Airport, then a transfer to Istanbul Atatürk Airport before boarding the connecting flight. Passengers will confirm they understand should this be the case and will then be responsible for transferring themselves and their baggage to the airport from which the connecting flight is to depart.
- ✔ Please [click](#) for the baggage rules that apply to Turkish Airlines flights or codeshare (partner) flights to/from the United States.
